Branding

SIEMENS

- Siemens* hearing aids stand for best sound and inventing the future of better hearing and understanding.
- Siemens hearing aids with BestSound Technology stand for continuous innovation and highest quality.
- BestSound Technology is a premium icon that enjoys great awareness in the hearing care industry.
- For each new platform generation BestSound Technology works as an umbrella that encompasses new features and innovations in perfect sync with brilliant sound.

* Sivantos GmbH is a Trademark Licensee of Siemens AG.

- The introduction of the new brand January 25, 2016, marks the beginning of a new chapter in the 130+ history of German engineering and countless global innovations.
- With Signia, Sivantos will build a more emotional, agile and human brand while at the same time maintaining the Siemens values of innovation and quality.
- The vision of Signia together with the experience of Siemens gives us the opportunity to invent the future of better hearing.
